Dear Ms. Martin:

This letter seeks your cooperation in providing information and documents relating to the Anaconda Aluminum Company Site located approximately two miles northeast of Columbia Falls, Flathead County, Montana (Site). Please be further advised that provision of false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. § 1001.

The Information Request is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. § 3501, et seq.

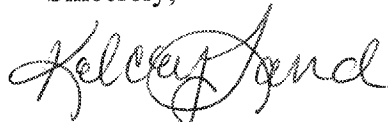

Your response to this request must be accompanied by a notarized certificate that is signed and dated by the person who is authorized by you to respond to this request. 3. If information or documents not known or not available to you as of the date of submission of a response to this Information Request should later become known or available to you, you must supplement your response to the EPA.
